

# Modular Trolley – Pro Model

## Optimize your workflow

### Organize work areas for an efficient professional workflow

The Mirka® Modular Trolley – Pro Model is designed to simplify and optimize the body shop workflow. It brings all the necessary tools and supplies within reach for quick and ergonomic access, keeping everything organized and ready for a successful workday. The Pro Trolley is a particularly good base for applying Mirka solutions and processes in collision repair, finishing, polishing, and more.

### KEY FEATURES:

- Practical hose holder with tool hooks
- Large top drawer for tools
- Small, medium, and large soft-close drawers
- Configurable tool board with abrasive storage trays
- Rubberized workbench desk
- Dedicated space for dust extractor
- Spray gun and aerosol can holders with magnetized quick-lock function
- Various hooks for tools, cable, and other products
- Push handle above waste bag and cable holders
- Lockable swiveling castors

### APPLICATIONS:

-  **Automotive Manufacturing**
