

Mirka® DEOS 343CV

Tools / Abrasives / Sponges / Accessories

The new Mirka® DEOS 343 sander is the most compact sander in the Mirka® DEOS family and designed to upgrade performance and results anywhere hand sanding may have previously been needed.

Mirka's 3" x 4" product line makes smooth work of tight spaces. Pair power tools with premium Mirka abrasives and dust extractors for a truly effortless Dust-Free solution.

KEY FEATURES:

- Small, light weight tool adds power where you may normally sand by hand
- Ergonomic design makes it comfortable to use for long periods
- The compact and low profile gives full control over the work
- Selection of abrasives to fit the job, budget, and preference
- Sponges of varying density for profiles, edges, and small corrections
- Improves health and profitability when part of a Dust-Free system

APPLICATIONS:

Woodworking
